By Richard J. Ellis : American Political Cultures video embedded
though many americans share feelings of nationalism its important to remember american political culture is strongly tied to diversity this means the citizens represent many different cultures races ethnicities religions and other traits as a result americans hold many different traditions and values american political culture puts a special emphasis on hard work and is rife with stories of successful businessmen and leaders consider abraham lincoln who American Political Cultures:

7 of 10 review helpful American Political Cultures By Edward Born Richard Ellis presents a wide sweeping view of America s political cultures It is an important work for scholars but its usefulness has been diminished by its bibilographic approach Placement of the notes at the end of the book and the lack of a bibliography detract from an

otherwise interesting work This work challenges the thesis first formulated by de Tocqueville and later systematically developed by Louis Hartz that American political culture is characterized by a consensus on liberal capitalist values Ranging over three hundred years of history and drawing upon the seminal work anthropologist Mary Douglas Richard Ellis demonstrates that American history is best understood as a contest between five rival political cultures egalitarian community competitive i A useful and clear map of a road well traveled by those who have tried to come to terms with the complexity of American political life American Political Science A valuable critical survey of the latest scholarship on the history of America s
