It is not often that one gets to write a preface to a collection of one's own papers. The most urgent task is to thank the people who made this book possible. That means first of all Hy Bass who on behalf of Springer Verlag approached me about the idea. The late Walter Kaufmann Biichler was very encouraging. Paulo Ribenboim helped in an important way and Ina Lindemann saw the project through with tact and skill that I deeply appreciate. My wishes have been indulged in.
