By V.I. Arnold, Alexander Varchenko, S.M. Gusein-Zade : Singularities of Differentiable Maps: Volume I: The Classification of Critical Points Caustics and Wave Fronts (Monographs in Mathematics) singularities of differentiable maps volume 1 the classification of critical points caustics wave fronts monographs in mathematics by sm gusein zade amazon singularities of differentiable maps volume 1 the classification of critical points caustics wave fronts monographs in mathematics Singularities of Differentiable Maps: Volume I: The Classification of Critical Points Caustics and Wave Fronts (Monographs in Mathematics):

there is nothing so enthralling so grandiose nothing that stuns or captivates the human soul quite so much as a first course in a science After the first five or six lectures one already holds the brightest hopes already sees oneself as a seeker after truth I too have wholeheartedly pursued science passionately as one would a beloved woman I was a slave and sought no other sun in my life Day and night I crammed myself bending my back ruining myself over my Language Notes Text English translation Original Language Russian
