**From Brand: Birkhäuser : Hermann Weyl's Raum - Zeit - Materie and a General Introduction to His Scientific Work (Oberwolfach Seminars) (English and German Edition)** Hermann Weyl's Raum - Zeit - Materie and a General Introduction to His Scientific Work (Oberwolfach Seminars) (English and German Edition):

Historical interest and studies of Weyl's role in the interplay between 20th century mathematics physics and philosophy have been increasing since the middle 1980s triggered by different activities at the occasion of the centenary of his birth in 1985 and are far from being exhausted The present book takes Weyl's Raum Zeit Materie Space Time nbsp Matter as center of concentration and starting field for a broader look at his work The contributions in t
