**From Brand: World Scientific Pub Co Inc : Twenty Years of Bialowieza: A Mathematical Anthology: Aspects of Differential Geometric Methods in Physics (World Scientific Monograph Series in Mathematics)** Twenty Years of Bialowieza: A Mathematical Anthology: Aspects of Differential Geometric Methods in Physics (World Scientific Monograph Series in Mathematics):

This volume marks the twentieth anniversary of the Bialowieza series of meetings on Differential Geometric Methods in Physics the anniversary meeting was held during July 1 7 2001 The Bialowieza meetings held every year during the first week of July have now grown into an annual pilgrimage for an international group of physicists and mathematicians The topics discussed at the meetings while within the broad area of differential geometric methods in physics have f
