By Xiaohuan Mo : An Introduction to Finsler Geometry (Peking University Series in Mathematics) buy an introduction to finsler geometry peking university series in mathematics on amazon free shipping on qualified orders

an introduction to finsler geometry peking university series in mathematics by xiaohuan mo at abebookscoouk isbn 10 9812567933 isbn 13 9789812567932 An Introduction to Finsler Geometry (Peking University Series in Mathematics):

This introductory book uses the moving frame as a tool and develops Finsler geometry on the basis of the Chern connection and the projective sphere bundle It systematically introduces three classes of geometrical invariants on Finsler manifolds and their intrinsic relations analyzes local and global results from classic and modern Finsler geometry and gives non trivial examples of Finsler manifolds satisfying different curvature conditions
