By Joseph Edmund Wright : Invariants of quadratic differential forms Invariants of quadratic differential forms:

This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1908 edition Excerpt of the group

where O is the Jacobian of the transformation and p is a number For an infinitesimal transformation O is easily seen to be dXy and therefore the equation for is where 37 Bt denotes the effect of the infinitesimal transformat
