From Wspc : Foliations 2012 - Proceedings Of The International Conference hb 350pp 2004 proceedings of the international conference on generalized functions icgf 2000 adelcroix mhasler j amarti vvalmorin where tomorrows science begins today an autonomous institution ministry of human resource development govt of india Foliations 2012 - Proceedings Of The International Conference:

This volume is a compilation of new results and surveys on the current state of some aspects of the foliation theory presented during the conference "Foliations 2012". It contains recent materials on foliation theory which is related to differential geometry, the theory of dynamical systems and differential topology. Both the original research and survey articles found in here should inspire students and researchers interested in foliation theory and the rela
